ATTENTION 6TH GRADE PARENTS:

A state law now requires that **all** incoming 7th graders get a whooping cough booster shot, called Tdap, before entering school. Students who have not received this booster shot prior to the beginning of the school year will not be allowed to start school. You are encouraged to contact your child's doctor **now** to schedule an immunization appointment. Whooping cough, also known as Pertussis, is widespread throughout California. This vaccine can help keep your child and family protected.

BOX TOPS FOR EDUCATION

Tracy Thomsen is coordinating the collection of Box Tops for Education for our school now.

Our goal is to reach a total of \$397 this year. February 24th is the next submission deadline so please send those box tops in and help us reach our target. Visit btfe.com/products to see a complete list of participating Box Tops products.
