

New Jerusalem Elementary School

The Superintendent's Report

New Jerusalem School

Delta Charter School

DAVID THOMING, SUPERINTENDENT
AUGUST 2010

Welcome back! Our district schools all began the school year on August 16th. New Jerusalem Elementary is beginning the year at near capacity and welcomes two new teachers; Mr. Vierra 7th Grade, and Mrs. Davis 5th Grade. We are very excited to have these two highly accomplished educators in our district. Delta Charter begins the year with its highest starting enrollment since its humble beginnings in 1997 and continues to add programs as well as sports. Delta Charter has also expanded their staff by adding a new administrator, Mr. Atoian.

New Jerusalem Highlights:

- The gym has been updated with new interior siding and paint.
- Our new food vendor, Revolution Foods, is already a hit with the kids/staff.

Delta Charter Highlights:

- More sports: Boys/Girls soccer and softball
- Food! Yes, Delta Charter is also partnering with Revolution Foods.

The staff and I are looking forward to another incredibly successful school year where we continue to uphold our motto:

"One student at a time, where success is the ONLY option!"
